Sex Trafficking Victim

PSM 711-5

A definition for sex trafficking victim has been added to PSM 711-5.

A sex trafficking victim is defined as an individual subject to the recruitment, harboring, transportation, provision, or obtaining of a person for the purposes of a commercial sex act or who is a victim of a severe form of trafficking in persons in which a commercial sex act is induced by force, fraud, or coercion, or in which the person induces to perform the act is under 18 years old.
