Combined IV-D Manual

EFFECTIVE

February 1, 2002

1. SUBJECT

Addition of new manual item to the IV-D Combined Manual, Item 620, "Voluntary Payment Application:", to provide for the receipt of voluntary payments by the Friend of the Court as required by the IV-D Program.

Purpose

Section 620 is added to reflect the requirement of AT 97-17 and the federal test deck requirements that the state be able to process and account for payments from payers not yet under court order. Specific instructions are given that must be followed. Terms of cooperation between Office of Child Support staff and Friend of the Court staff on IV-D case creation are detailed. Accounting procedures and special disbursement instructions are detailed. It is anticipated these payments will be of low volume.

Item includes policy text Item 620 and exhibit, "Voluntary Payment Application", Item 620X1.
