

This key lists the motions, orders and associated letters for the QDRO/EDRO process.

The forms will be generated by a future version of MiCSES however, these may be used as templates.

Required fields are set off by < > and specify what information is required. For example, on the Motion for Qualified or Eligible Domestic Relations Order, 1. A support order was entered on < Order Date>.

Review all check boxes and place a check mark if appropriate. For example, on the Motion for Qualified Eligible Domestic Relations Order, there is a check box that the Court enter an order of non-disclosure to prevent possible harm. If this case involves family violence and a non-disclosure order is appropriate, check that box.
