**OBSOLETE
MATERIAL**

Policy is written in the new Combined IV-D Policy Manual (4DM) which consolidates some of the Parent Locator Policy material included in the Child Support Policy Manual, the Friend of the Court Manual, and the Prosecuting Attorney Handbook (PAH). 4DM Item 200, Regulatory and Statutory Location Requirements and 4DM Item 200-2, Location Procedures (and the related exhibits Items 200-2X1 through 200-2X5) incorporate material from all three manuals. As a result, certain Items in the Prosecuting Attorney Handbook must be obsoleted:

1. PAH Item 210;
2. PAH exhibit Item 210X3.
