Subject(s)

FOM 801, Health Services for Foster Children

Each foster care worker who transfers a child's medical passport to another foster care worker must sign and date the medical passport verifying that s/he has sought and obtained the necessary information under law and DHS policy.

An updated medical passport is provided to:

- The child's foster care provider at or prior to each placement. This includes foster homes, relative placements and residential facilities.
- Legal parents quarterly and at reunification, if the child is a temporary court ward.
- All medical and mental health professionals to whom the child is referred and accepted for treatment.

For every placement/replacement the foster care provider must be provided with the child's current medical passport at or prior to placing the child.

For reunification/child placed in own home, the parent/legal guardian must receive a copy of the child's current medical passport.

Note: The foster care provider's or parent's receipt of the medical passport must be documented in the placement detail screen of MiSACWIS by checking the applicable box and entering date the medical passport was provided.

Documentation of Cards

The date the foster care worker provides the child's Medicaid card or alternative verification and the DHS-3762, Consent to Routine, Non-Surgical Medical Care and Emergency Medical/Surgical Treatment card must be documented in the placement detail screen of MiSACWIS by checking the applicable box and entering date the cards were provided.
