Eligible grantees are identified on CIMS by person class 02.

Ineligible Grantee

Use the **ineligible grantee** payment standard when the grantee is not a member of the program group. This grantee status includes grantees who are:

- SSI recipients.
- Caretakers who are optional group members and choose not to be in the group.

- Unrelated caretakers who receive FIP based solely on the presence of a child placed in the home by Children's Services.
- Recipients of Independent Living Stipends.

Ineligible grantees are identified on CIMS by person class code 01.
