A. This column applies only to FAP groups with no S/D/V member.

B. This column applies to all FAP groups.

C. This column is only used to determine separate group status for a person who is senior impaired; see BEM 212, Group Composition.

D. This column is the income limit for enhanced domestic violence authorization which confers categorical eligibility. Households with income above this level are not categorically eligible.

E. This column is the simplified reporting income limit based on group size.

Note: Column A & B limits do **not** apply to categorically eligible groups; see BEM 213.
