1) Lottery Match**ERM 210, Repayment**

State Emergency Relief (SER) provides immediate assistance to meet a current emergency. If the SER group receives, or expects to receive, income or assets in the future, but not in time to resolve the emergency, a repayment may be necessary. It is a condition of SER eligibility that the SER group agrees to repay the SER issued, at the time they receive income or assets within the 30-day period.

Lottery Winnings

If an SER group member is identified on the lottery match, from the date of application until the date the benefit is issued, the SER group must repay the SER benefit. The repayment amount shall not exceed either the lottery-winning amount or the actual SER payment amount. Please follow Incorrect Issuances policy in ERM 401 to request a refund from the SER group.

Reason: Policy clarification.
