JJ2 263, Sex Offender Registration

Verification schedules have changed for registered sex offenders. Registered sex offenders are required to verify their address by reporting in person and providing proof of residency at a local law enforcement agency, sheriff's office, or Michigan State Police post that has jurisdiction over their residence.

Verification schedules are based on the offender's birth month. Tier I offenders must verify their address once every year during the month of their birth.

Tier II offenders must verify their address twice every year and Tier III offenders must verify their address four times every year. Scheduled months of verification are determined by birth month.

In addition to the change in the verification schedule, registered sex offenders must pay an annual registration fee of \$50 each year after their initial registration. The annual registration fee must be paid during the first verification reporting month unless the annual registration fee is prepaid for any future year. Failure to pay the fee is a misdemeanor and may result in criminal prosecution.

*Reason:* Public Act 149 of 2013.
