

EFFECTIVE

September 1, 2014.

Subject(s)

1. JR1 170, Staff Development and Training.
2. JR6 602, Discipline Response System.
3. JR6 610, Physical Restraint.

This bulletin revises physical restraint and facility staff training policy for residential juvenile justice facilities to incorporate the Handle with Care behavior management system. Staff will use Handle with Care methodology in concert with current physical restraint practices in the facility.

Reason: Update policy to incorporate new methodology for physical restraint of residents in juvenile justice facilities.

Communication Plan: Job Aid.
